FASTER TURN TIMES

In 2020, we are enhancing our QUICKTURN program. What was 3-4 weeks is now 2-3 weeks. In addition, we have gone from a select amount of options to all domestically-produced socks in this catalog.

Anywhere you see the logo to the right, it will signify a product that qualifies for this program.

**Turnaround times begin at order receipt. Any changes requested to the order or failure to approve artwork will result in delays in product delivery.*

USA MADE

TCK has been manufacturing domestically since 1961. We are proud to continue that tradition. We offer many styles that are still USA Made .

Anywhere you see the logo to the right, you can trust that the product was produced right here at home.
