CUSTOM ARTWORK GUIDELINES

ACCEPTED FILE TYPES:

Vectorized AI (Adobe Illustrator) or PDF – Rasterized images will be recreated as close to the original as possible

SUGGESTED FILE SETUP:

- Square Artboard: 10–15cm
Space between edge of artboard and logo (approx 1mm)
- If logo is white please place over grey or black background

VECTOR DESIGN REQUIREMENTS:

- All text must be converted to outline
- All lines/strokes must be expanded to a shape
- Convert all gradients to a single Color fill

COLOR MATCHING:

We strongly recommend adjusting logo Colors to comply with you Color selection during checkout before uploading to Locker Room. See our Color list for RGB/CMYK values to match.

Note: Colors will appear darker than the physical production. Use the “Pantone Match” to accurately visualize final Colors. They will be adjusted to the adiColor before submitting to the factory.

If artwork is not Color matched—we will adjust artwork to match Colors selected during checkout.

DESIGN ELEMENTS TO AVOID PER EMBELLISHMENT TYPE:

Each embellishment type has different capabilities that can prevent more detailed artwork from being feasible

EMBROIDERY	HEAT TRANSFER	SUMLIMATION
<ul style="list-style-type: none">• COMPLEX/TINY DETAILS MAY NOT BE ABLE TO BE PRODUCED• SHARP POINTS MUST BE ROUNDED OUT	<ul style="list-style-type: none">• AVOID SHARP CORNERS/POINTS TO PREVENT POTENTIAL PEELING• SMALL LETTERS/DETAILS MAY REQUIRE A BACKGROUND/FILL TO PRODUCE	<ul style="list-style-type: none">• SMALL/SKINNY DESIGNS HAVE POTENTIAL TO BLEED

FACTORY FEASIBILITY: Artwork may need to be adjusted to comply with our factory feasibility requirements. Please adjust any artwork to comply with the below minimum allowances before submitting.
