ALL AMERICAN PAINT CO. is proud to be the manufacturer, supplier and distributor of 100-percent American-made aerosol paint products and accessories. Our commitment to innovation and value adds up to quality performance on surfaces that include athletic fields, parking lots, school and fair grounds and construction sites.

AMERI-STRIPE PAINTS PUT ON AN MVP PERFORMANCE

From the first application, All American Paint will give you the professional results you desire for game day.

- **SINGLE-COAT COVERAGE**
- **QUICK-DRYING RESULTS**
- **CRISP CLEAR LINES**

For large coverage areas, we offer bulk paints in a variety of colors and for synthetic turf we offer temporary aerosol chalk paint. For pavements, construction areas and horizontal surfaces try our Ameri-Stripe Traffic and Utility Paints.

BEYOND OUR PAINTS To accompany our paints, we have a selection of accessories including bulk spray machines, aerosol marking machines, marking sticks and spot markers. We also offer stencils for fields or roads.

TOP-NOTCH SERVICE

Our company is committed to maintain or exceed high-quality customer service and provide paints that produce an MVP field. Our team has more than 30 years combined experience in the athletic paint market and we believe in profitable, sustainable and enjoyable long-term relationships with customers.

X-TREME PAINT

Put your field in the spotlight with our superior white marking paint, *Ameri Stripe* X-treme Paint. This high-definition paint has more optical white brighteners than other brands, providing the brightest paint application on your fields.

- Available in 20 oz. or 24 oz. monster can.
- One-pass coverage while still providing the optimum hide.
- 24 oz Xtreme Monster cans will only fit the liner 501 .
- The monster can creates more efficiencies in your paint application process allowing you to use fewer cans to line your field.

ATHLETIC BULK PAINTS

AMERI-STRIPE BULK PAINTS come in either concentrate or prediluted for ready to spray out of the pail.

Our bulk paints feature a vibrant appearance that is specially formulated with optical brighteners and a high concentration of solids for superior hide. And because of their lasting durability, our bulk paints offer a longer shelf life at a cost that won't dry up your budget.

PREMIUM WHITE PAILS

We recommend a 1:1 ratio on the first application and on each additional application we recommend up to a 3:1 ratio.

READY2SPRAY WHITE & COLOR PAILS

For white paint, no dilution on first application and on reapplication, up to a 1:1 ratio. We do not recommend dilution for color paint.

- High visibility and vivid line markings under any lighting condition.
- Water-based, eco-friendly and safe to use on all turf types.
- Low VOC formula.
