SOLUTION SPEED™ FF 4

SKU: M 1041A532.101

WEIGHT: M 339g

MIDSOLE HEIGHT: M 9mm/19.5mm

**Weights are approximate and based on a men's US size 9.5*

FLYTEFOAM™

Updated with a new hardness that's designed to help provide lightweight cushioning and comfort.

PU COVERED + LOOP MEDIAL STRUCTURE

Durable loop reinforced by loop tapes on the medial side help keep the laces from breaking while keeping the laces tight.

PRECISION-SOLE™ OUTSOLE

Algorithmically optimized with ASICSGRIP™ rubber to help provide maximum traction without sacrificing grip and durability.

SPEEDTRUSS™

Updated with a hole in the midfoot to provide torsional support without adding extra weight. This allows you to experience better stability for faster acceleration.

GEL RENMA™ 2

GEL RENMA™ 2

1. Comfortable Upper Structure

Soft materials offer exceptional comfort, while strategically positioned grooves on the outsole increase flexibility, allowing for a more natural foot motion.

2. Trusstic

TRUSSTIC™ technology in the midsole delivers solid support while minimizing excessive twisting. The wrap-up outsole features a wider gauge, promoting smoother and more balanced movements.

3. Midfoot support

The synthetic leather construction on the midfoot upper enhances stability, offering great support during side-to-side movements

INDOOR

INDOOR PLAYING STYLES

HIGHER

You move vertically and need more cushioning for higher jumps and softer landings.

STRONGER

You play close to the ground and need extra stability for confident turns.

FASTER

You're quick on your feet, requiring a lightweight, flexible shoe for multi-directional movements.
