PERFORMANCE RUNNING FOOTWEAR

SOUND MIND SOUND BODY

At ASICS, we believe in the positive impact of sport on the mind. Take our name, an acronym for Anima Sana in Corpore Sano or “a sound mind in a sound body.” Our founding philosophy is perhaps more relevant than ever and we’re recommitting to promoting the positive, uplifting power of sport.

ASICS DESIGN PHILOSOPHY

ASICS Design Philosophy combines four key areas of research and development:

- 1 USER TESTING:** Performance evaluation and user sensory wear testing with athletes, consumers, influencers.
- 2 SCIENCE:** Insights from a human-centered scientific approach and laboratory testing across Biomechanics, Physiology, Materials Science, Kansei Engineering.
- 3 INNOVATION:** Decades of continuous product innovation and kaizen improvements to ensure the highest quality and functionality.
- 4 IMPLEMENT BETTER PROCESSES :** We are taking action to implement more sustainable processes to reduce carbon emissions while maintaining high product performance.
