PRODUCT GUARANTEE

All products are guaranteed against defects in material and workmanship for a period of 1-Year from the date of purchase. 5-Year warranty on volleyball hard goods and also hurdles. 12-Year warranty on pits. 1-Year warranty on balance of the line. Blazer products are not guaranteed against misuse, abuse, accidental damage, or improper care.

PRODUCT WARRANTY

Products will be repaired or replaced at the expense of the manufacturer if determined to be defective in material or workmanship only. This limited warranty is the exclusive warranty of the product and no other warranty including warranty of fitness or merchantability is made or implied. The warranty does not cover products that are manufactured by someone other than

Blazer that are merely resold by Blazer to the customer and the Blazer warranty is limited to products actually manufactured by Blazer.

INSPECT MERCHANDISE UPON RECEIPT

You, the customer are obligated to inspect all merchandise on receipt for damage and shortage. Notations of any shortage or damage to the merchandise or packaging must be made on the delivery receipt before signing it. All claims for defective or damaged work must be made by the customer to the appropriate shipping carrier and to Blazer upon receipt. Failure to do so shall constitute irrevocable acceptance of the work and waiver of any defect, damage or shortage. Claims for damage or loss in transit must be made directly against the carrier.

* Blazer reserves the right to improve, modify, or discontinue any product at any time without prior notice. Due to unstable prices on raw material, all prices listed are subject to change without prior notice. Prices listed are suggested school prices and do not include shipping charges.

E Hurdle Sweep™ 3" + Fixture

Hurdle Sweeps™ are a soft brush edge along the top of the hurdle which provide instant technique feedback. The athlete receives tactile and audible feedback - and a coach get visual and audible information. Interchangeable brush (sweep) provides a 3" edge over the top of the actual hurdle board. The 3" sweep can be used as an actual height when the hurdle is set one notch down. *(Hurdles not included.)*

★ PROMOTES ★
"SQUARE AND
CENTER ATTACK!"

F Hurdle Sweep™ Target Basic Set

Target training sweeps are used for several drills. Use the Target sweeps to give the athlete a specific area to attack each hurdle with a lead leg target, trail leg target or one for each leg. Target Sweeps™ can also be used where you intend the athlete to feel feedback because they should encounter contact with the sweep - or they can be used where you want the athlete to avoid an area of the hurdle (like the inside edge on the curve to prevent hooking) in which case the athlete should not encounter and contact with the Target Sweep. Target Sweeps™ on each side of the hurdle promotes "square and center" attack. Size 2x5". 2-Fixture attachments. *(Hurdles not included.)*

Safety Sleeve Elastics Protect your athletes, protect yourself. Limit maximum safe stretch distance. If elastic breaks, it will coil inside sleeve preventing injury. Protects elastic from wear from roads, track ... etc. Protects from overexposure to latex material. The product that uses the Safety Sleeve elastic is #4017. (Patent Pending).

**Always inspect resistance cords for wear before every workout and replace at least every 2-years. Goggles are recommended when using resistance cord devices. *NEVER stretch cord more than 3-times its length.*

G
4020

G Leap Frog

Lead runner and trailing runner take turns providing assisted acceleration. As the trailing athlete runs past the lead runner they exchange roles. The trailing athlete provides resistance to the lead runner. When the resistance cord is maxed out the trailing athlete takes advantage of the resistance to accelerate past the lead runner. 4' Safety Sleeve™ Elastic with 2-swivel belts. Continuously, alternate overspeed, passing, and resistance running. Stretches to 10'.
