IN MEMORY

JAMES C KEEN

1941-2020

This year's catalog is proudly dedicated in memory of Jim Keen, Sr. Involved in the sport for over 60 years, Jim Keen positively impacted the world of wrestling as a competitor, inventor, CEO of Cliff Keen Athletic, tournament sponsor, organizational leader and legislative liaison.

While still in high school, Jim and his father explored the creation of protective ear guards. From the eventual invention of a headgear, CKA was born. Today the largest manufacturer of wrestling equipment and uniforms, our products are synonymous with wrestling throughout the world. It is Jim's integrity and resourcefulness that has led us to where we are today.

HEADGEAR

IN ORDER TO DESIGN THE BEST-FITTING, MOST RELIABLE AND PROVEN WRESTLING HEADGEAR ON THE PLANET, WE MUST KNOW WHAT MAKES WRESTLERS GET UP EVERY MORNING BEFORE DAWN. PUSH THEMSELVES PAST THEIR LIMITS EVERY DAY, AND MAKE ENDLESS SACRIFICES.

LEGENDARY WRESTLING COACH CLIFF KEEN BROUGHT HIS WISDOM TO THE TABLE WHEN HE INVENTED THE SPORT'S FIRST HEADGEAR IN 1958. WE UNDERSTAND THE DEDICATION, HARD WORK AND PASSION WRESTLERS BRING EVERY DAY. AND THAT'S EXACTLY WHAT WE PUT INTO EVERY EAR GUARD WE CREATE.

AS A RESULT, OUR HEADGEAR ARE THE MOST POPULAR IN THE INDUSTRY, IN FACT, OVER THE PAST DECADE, 90% OF NCAA CHAMPIONS HAVE WORN THEM.

Coach Clifford P. Keen

As the head wrestling coach at the University of Michigan for 45 years (1925-1970), the late Cliff Keen's teams went an amazing 268-91-9, won 13 Big Ten Championships, with 68 All-Americans. Individuals he coached won 11 National Championships and 81 Big Ten Championships. When he finally retired, he was the longest tenured head coach in NCAA history in any sport.

Keen was also the offensive line coach at Michigan for 33 years. He coached the 1948 U.S. Olympic team, served on the USOC and wrote several books on the fundamentals of amateur wrestling. He was the first president of the National Wrestling Coaches Association, a Lt. Commander teaching hand-to-hand combat during WWII and received his law degree from Michigan. In addition, Cliff was a charter member of the National Wrestling Hall of Fame and a member of the National Sporting Goods Association Hall of Fame.

It was his invention of the wrestling headgear in 1958 that would be amongst his greatest accomplishments. Not only did this invention increase participation in wrestling by helping to protect from "cauliflower ear", it also gave birth to the company that bears his name, Cliff Keen Athletic.

We are indebted to Coach Keen's legacy. It is his sincere belief in the sport of wrestling along with his innovative spirit that continues to drive us.
