GRIP SO STICKY IT'S ALMOST ILLEGAL

This isn't just any football glove. This is the glove that's been trusted by the best football players in the world for 25 years. In your hands is a game-changing glove with the look, fit and reliability that's gonna outperform the competition - and make you look damn good! Cutters - The Best Grip in the World.

Our grip is a trade secret that has often been imitated by competitors — yet they never come close to matching C-TACK's® stick, durability, and performance.

Cold, rain, or shine, C-TACK® performs without compromise in all weather conditions.

C-TACK® is a self-restoring grip material. Simply wipe down with a damp cloth when dirty, and the grip is as good as new.

All Cutters gloves with C-TACK® are machine washable. It's easy to keep them clean and maintain grip.
