GETTIN-GINGY

WOMEN'S PRINTED SKORT | #W2551

GETTIN-GINGY is more than just a play on words from a 90's hit. The GETTIN-GINGY skort was inspired by the iconic dress Dorothy wore in the Wizard of Oz. This gingham printed skort will prompt the Cowardly Lion to shout "ADORABLE" across the courts! GETTIN-GINGY was designed with a double flounce, raised sides and a mid-rise waistband to adorn the perfect fit. You'll be saying "there's no place like home" the moment you suit up for your match. "Home" being the courts that is.

ESPRESSO

WOMEN'S KNIFE-BOX SKORT | #W2552

Looking to dig deep and excel on game day? A great start would be a shot of ESPRESSO. ESPRESSO is defined as "forcing steam through ground coffee beans". ESPRESSO's asymmetrical knife-pleats will have your opponent "forced" into submission as she can't deal with your overwhelming sense of style. ESPRESSO's supporting box-pleats will grind her down as you run her around the court. At 0 calories and 0 caffeine, it's the right play.

ELEVATE

CROSS-OVER FLOUNCE SKORT #W2209

Admittedly we went a little "greatest hits" vibe on ELEVATE because our previous flounce skort destroyed the competition. We updated ELEVATE with a tummy tucking cross-over waist band that rides higher on the sides to cinch you in. The double flounce screams cuteness while a slight rise on your skort sides reveal a little shortie. Be prepared to hear "where did you get that cute skort" a bunch!

FLIRT-2

DOUBLE-PLEAT SKORT #W2207

She's back! By overwhelming demand, our best-selling skort FLIRT-2 has had some enhancements. No nip n' tuck or botox here, FLIRT-2 has retained her award-winning look, but we added cool attributes to keep her current with the times. Think flip-phone....now smart-phone. That same ol' flirty charm is still considered her greatest weapon on the court.

KOURTNEY

RUCHED SKORT #W2208

Move over boring old traditional skorts, there's a new girl in town and her name is KOURTNEY. The French created the "ruche" look back in 1806 but this timeless art of gathering fabric to create a sporty yet sophisticated look is a wowzer still today. Go ahead say it. "Oui j'adore cette jupe de tennis" (Yes, I love this tennis skirt).
