HOW TO MEASURE

*All measurements recorded in inches

- Chest Measurement:**
Always measure at the fullest part of the chest with your arms at your side.
- Waist Measurement:**
Measure around the natural waistline, which is the narrowest part of your waist.
- Hip Measurement:**
Always measure at the fullest part of the hip standing with your feet together.
- Torso Measurement:**
Start at the shoulder, down the torso, through the legs, and return back to your starting point.
