BASEBALL & SOFTBALL

Mizuno is a brand that offers superior sporting goods that merges design and innovation to deliver what a player needs to perform on the field. Utilizing our roster of baseball and softball athletes, we listen carefully to feedback and integrate that knowledge throughout the product development process to create performance-based gear you can trust.

Whether creating pro-level product with the best raw materials in the world or designing features that make the game more fun and easy to play, our focus is to always create the greatest product possible regardless of who you are or at what level you play. We know that playing sports is a journey, and we're committed to crafting the high-quality products athletes need throughout that journey. This catalog exemplifies this commitment.

We are passionate about sports, and we'll always strive to use our passion to inspire beyond expectations — just as we have since 1906.

BALL GLOVE TECHNOLOGIES

3D Technology™ features position-specific patterns for ball glove pockets. Each glove is designed with input from the best defensive players in professional baseball.

ParaShock® Mizuno's exclusive palm pad absorbs the shock of repeated use providing outstanding protection and ideal comfort.

Power Close® makes it easier for younger players to close the glove and catch the ball. Makes catching easy!

PalmSoft™ incorporates padded pigskin in the palm of the glove for increased feel and comfort.

PowerLock™ closure provides the quickest and most secure fit available.

Butter Soft™ is a PU lining in the palm for durability, feel, and comfort.

QuikForm™ lacing system provides the ultimate means of tightening your laces to give the ball glove the perfect form.

Side Bar™ tapered design secures the hand in place for better glove control.

Heel flex™ Patent-pending technology provides a more flexible/forgiving heel for the ultimate in feel & performance.

SureFit™ Foam adds cushioning along the back of the fingers for a more customized fit.

V-Flex Notch™ is designed to help initiate easy closure.

Ultrasoft™ Premium US Steerhide is specifically tanned for the ultimate in softness and long lasting durability.

Moisture Management Technology fabric technology that disperses perspiration away from the skin.

Hi-Low Lacing maintains the integrity of a fully laced Web while providing added flexibility for easier closure.

Finger Core New finger stall shape to help improve flexibility and control when making a tough play. Also provides a more comfortable option for players who prefer to shift their ring finger to the pinky slot.

NEW MIZUNO PRIME ELITE X // BASEBALL

MSRP \$220.00

FEATURES: The Mizuno Prime Elite X glove series revolutionizes traditional baseball gloves with a blend of innovative features designed for enhanced performance and customization. Crafted with Mizuno's signature attention to detail, the Prime Elite X includes a moisture-wicking back-of-wrist pad to keep you dry during hot summer days, and a dimple-textured palm liner under the middle and ring fingers for improved dexterity and glove control. Its removable back-of-wrist patch allows athletes to easily change the look of their glove without needing a second one. Additionally, the innovative, patent pending pull/attach feature serves dual purposes: it enables easy transport by connecting the glove to a bag or fence, and allows players to adjust the fit by tugging on the leather pull tab for a more precise, controlled feel during play.

1. CHEST

Measure around the fullest part of the chest points. Keep the tape horizontal.

2. NATURAL WAIST

Measure the narrowest part. Typically the small of your back where your body bends side to side.

3. LOW WAIST

Measured lower than the Natural Waist. This is typically near the top of the hip bone. Men usually wear the pants here, lower on the body.

4. HIP

Measure the fullest part of the hips. Keep the tape horizontal.

5. INSEAM

Measure from the crotch to the bottom of the leg. This is for pant wear length.

Use a cloth measuring tape for sizing.

Body measurements are given in inches. If your body measurement is on the border between two sizes, order the smaller size for a tighter "athletic" fit or the larger size for a loose "relaxed" fit. *Size charts define measurements of the body and not the garment.
