TABLE OF CONTENTS

Mizuno is a brand that offers superior sporting goods that merge design and innovation to deliver what a player needs to perform on the court. We listen carefully to feedback and integrate that knowledge throughout the product development process to create performance-based gear you can trust.

Whether creating an apparel line for highly decorated athlete April Ross or designing features that make the game more fun and easy to play; our focus is always to create the greatest product possible regardless of who you are or at what level you play. We know that playing sports is a journey, and that's why we are committed to designing high-quality products that athletes need throughout their journey. This catalog exemplifies that commitment.

We are passionate about sports, and we'll always strive to use our passion to inspire beyond expectations — just as we have since 1906.

MATERIALS

84% Polyester, 16% Spandex®

FEATURES

The Elevated 4 Inch Volleyball Short is a game changer. This volleyball short was designed for you to focus on your game, not fidgeting with your shorts. The inseam in the back is slightly longer than the front, which allows you to stay in true defensive ready position without your short riding up. To compliment that defensive ready position, the wide, non-side-digging waistband is slightly higher in the back! The soft, breathable fabric is held together by side seams which are angled, encouraging movement. The flat front gives you a seamless look and confidence.

4"
INSEAM

MATERIALS

84% Polyester, 16% Spandex®

FEATURES

The Elevated 4 Inch Volleyball Short is a game changer. This volleyball short was designed for you to focus on your game, not fidgeting with your shorts. The inseam in the back is slightly longer than the front, which allows you to stay in true defensive ready position without your short riding up. To compliment that defensive ready position, the wide, non-side-digging waistband is slightly higher in the back! The soft, breathable fabric is held together by side seams which are angled, encouraging movement. The flat front gives you a seamless look and confidence.

Measure around the fullest part of the chest points. Keep the tape horizontal.

2. NATURAL WAIST

Measure the narrowest part. Typically the small of your back where your body bends side to side.

3. LOW WAIST

Measured lower than the Natural Waist. This is typically near the top of the hip bone. Men usually wear the pants here, lower on the body.

4. HIP

Measure the fullest part of the hips. Keep the tape horizontal.

5. INSEAM

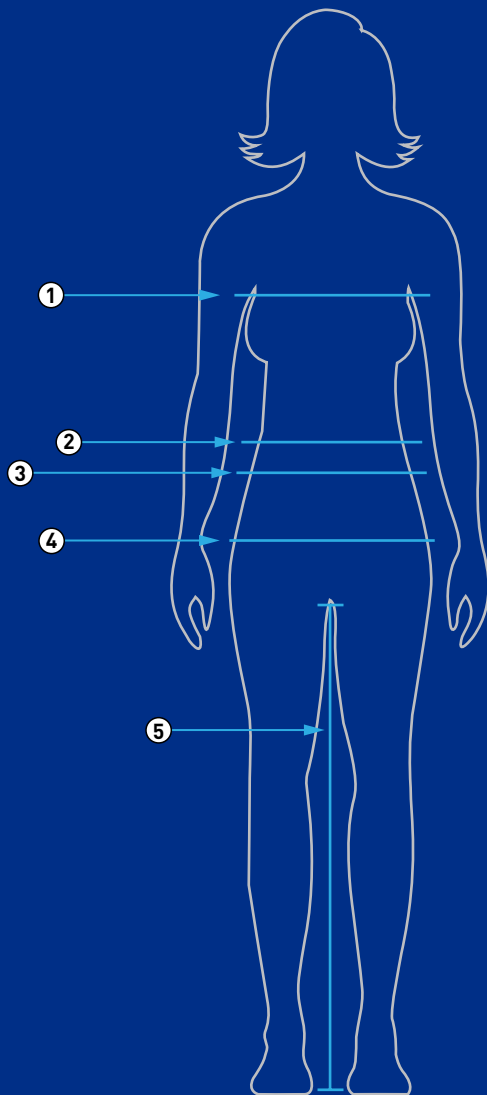

Measure from the crotch to the bottom of the leg. This is for pant wear length.

Use a cloth measuring tape for sizing.

Body measurements are given in inches. If your body measurement is on the border between two sizes, order the smaller size for a tighter "athletic" fit or the larger size for a loose "relaxed" fit. ***Size charts define measurements of the body and not the garment.**
