# MOVE TO ZERO

## Helping Protect The Future Of Sport For All Athletes\*

Move to Zero is Nike's journey toward zero carbon and zero waste to help protect the future of sport. We exist to serve athletes everywhere and that's why we're on a mission to help ensure a healthy planet. For us, there is no finish line.

[NikeTeam.com](https://www.nike.com) will now display a sunburst logo next to products made with sustainable materials.

Look for this logo  Sustainable Materials to find products made with at least 50% sustainable materials by weight, exclusive of trims. Sustainable materials include recycled polyester or organic cotton.

Recycled polyester reduces carbon emissions and waste.

Organic cotton is grown without synthetic fertilizers and with less water than conventional cotton.

For more information on Nike Sustainability please visit [nike.com/sustainability](https://nike.com/sustainability) or [purpose.nike.com](https://purpose.nike.com).

Tested on the world's greatest athletes, these are same shorts used in the NBA and WNBA. • Made with our most premium material, the Dri-FIT knit structure manages moisture and helps the shorts not cling to the body when play heats up. • Elastic waistband with grip threads inside and a loose end drawcord help keep shorts up and jersey tucked in. Split seams on the legs allow for greater range of motion without restriction. • Not too tight or overly baggy, these shorts made with the classic Nike fit your athletes know and love. **Hip width: 23" (size large), Inseam length: 8" (all sizes). Offered in +1" length options.**
