NIKE CARES

All Nike goggles are PVC free. We are proud to produce goggles free from PVC or added chemical softeners containing phthalates, including all adhesives and logo applications. Instead, our goggles are made using inherently soft materials which do not require these chemical compounds. Since the late 1990s, eliminating PVC in our products has been a Nike initiative.

NIKE SWIM FIT GUIDE

Use the chart below to determine your size. If you're on the borderline between two sizes, order the smaller size for a tighter fit or the larger size for a looser fit. If your measurements for hips and waist correspond to two different suggested sizes, order the one indicated by your hip measurement.

BOY'S & GIRL'S PERFORMANCE SWIMWEAR

How to Measure Yourself

CHEST

Measure around the fullest part of your chest, keeping the tape horizontal.

WAIST

Measure around the narrowest part (typically the the small of your back and where your body bends side-to-side).

HEIGHT

Without shoes, measure straight down from the crown of your head to the floor.

TORSO (GIRLS)

Measure from the midpoint of your shoulder (between your neck base and shoulder joint) over the fullest part of your bust, through your legs and up your back to the starting point.

HIPS

Measure around the fullest part of your hips.

NIKE SWIM FIT GUIDE

Use the chart below to determine your size. If you're on the borderline between two sizes, order the smaller size for a tighter fit or the larger size for a looser fit. If your measurements for hips and waist correspond to two different suggested sizes, order the one indicated by your hip measurement.
