The Nike HyperElite Volleyball Shorts feature a zoned panel design with flatseam stitching strategically placed to provide comfort, support and optimal range of motion during all-out play. Nike Dri-FIT technology moves sweat from your skin for quicker evaporation — helping you stay dry, comfortable and focused. The contoured stitching follows your body's natural symmetry, mitigating restrictions and letting you move freely when you stretch to make a play. An elastic waistband secures the fit to help keep you covered and your jersey in place. Swoosh design trademark on left thigh.
