## NIKE NEW SAVAGE 2 CUSTOM SUBLIMATED SINGLET

FABRIC: 82% Polyester (Recycled), 18% Spandex

Engineered for performance, the Nike Savage 2 Singlet is crafted from high-quality Nike Dri-FIT materials, ensuring superior moisture management to keep athletes dry and focused. Designed with a simplified construction, this custom sublimated singlet provides print location options—including center chest, right leg, left leg, and upper back—allowing for personalized branding and team identity. Available in all standard Nike team colors, it combines durability, functionality, and a sleek athletic fit, making it the ideal choice for competitors at every level.

## NIKE MENS GRAPPLER ELITE CUSTOM SUBLIMATED SINGLET

FABRIC: 82% Polyester (Recycled), 18% Spandex

Designed for peak performance, the Nike Grappler Elite Wrestling Singlet is fully sublimated with your custom design and built for maximum comfort and durability. Soft arm and neck trims, flat seams, and a U-shaped gusset minimize distractions, while a full mesh back and lower-leg panels enhance breathability. Engineered to support athletes through intense competition, this singlet delivers both style and function.

# NIKE MENS INTERNATIONAL CUSTOM SUBLIMATED SINGLET

**FABRIC: 82% Polyester (Recycled), 18% Spandex**

Designed for performance, the Nike Grappler International Singlet is fully sublimated with your custom design for a distinctive look.

With a higher cut, full upper back, and no mesh on the leg panel, it provides superior coverage. Soft arm and neck trims ensure comfort, while flat seams minimize distractions. A U-shaped gusset enhances durability, and the 7cm leg band offers a secure fit. Full mesh back and lower-leg panels maximize breathability.
