How to Measure:

Don't take your own measurements. Wear the undergarments worn with your uniform.

- A. **Chest:** Measure under your arms, around the fullest part of your chest.
- B. **Waist:** Measure at the natural waistline, at the smallest part of waist, where the natural curve lies when you bend to the side.
- C. **Hips:** Measure around the fullest part of your body.
- D. **Inseam:** Measure from the top of your inner thigh down to the desired pant length.
- E. **Sleeve Length:** Measure from the end of the shoulder to middle of hand.

Choose Your Size with Shoe Sizers

Find the right fit for your cheer shoes with Shoe Sizers.

Not all cheer shoe styles fit the same and some have recommended sizes smaller or larger than your usual street shoe size. These Shoe Sizers fit like the insole of the cheer shoe, so please follow the instructions here.
