how to order

PLACING YOUR CUSTOM HEADWEAR ORDER WITH PUKKA HAS NEVER BEEN EASIER:

1. Select which Starter best fits your needs.
2. Pick your colors and customize various elements of the hat to reflect your identity.
3. Choose if you want your custom logo done in Flat, Raised or Raised & Flat Embroidery and add additional graphic locations for that extra personal touch.
4. Take advantage of our **FREE** contrast color options to create two unique looks within a single 24-piece order.

customize with your team colors

Our Starter Program offers unmatched flexibility, allowing you to customize your team's vibe with separate looks for home and away games. Add additional dozens to create an alternate look for a third uniform, coaches or fan gear.

Popular trends include incorporating one, two or three color designs using our **FREE** contrast color options. With Pukka, you have the ability to truly build a team hat by choosing your panel, eyelets, stitching, button, visor and undervisor colors. All available in increments of 12 within a 24-piece order.
