The newest bat in Pinnacle Sports arsenal of high end hybrid bats. This Hickory Hybrid is the strongest most durable youth bat we've ever made. This great high performance bat can be used for batting practice, cage use or game play. Training with our bats helps players learn where the sweet spot is on a bat. If you hit a ball where you shouldn't you'll feel it, but you most likely won't break our bat. That's the difference between our bats and others. The amazing value we offer is second to none. A full **One Year Warranty** if you break our Petrified Youth model during normal usage.
