SOFTBALL GAME MATS

SOFTBALL MATS DESIGNED FOR CHAMPIONS.

Give high school and college pitchers a superior game experience with Portolite's Pro Spiked and Long Spiked Game Mats. A longer, wider design extends stride-length behind the rubber. That means a firm plant on every pitch and support through the full pitching motion. A wider design protects turf – less maintenance, less expense. Our mounds won't slip, slide or bunch – 7,000 spikes make sure of it.
