FAQ FREQUENTLY ASKED QUESTIONS

Who do I contact about placing an order?

Reach out to John Heaney, School Sales Coordinator, at jheaney@sunmountain.com or **800-433-9224** ext. **7605**. He can get you an account application and lead you through the entire process, from initial contact to mockups to paying the invoice.

How long does it take to fulfill an order?

Usually about 4 weeks once the order is finalized. We always suggest placing your orders sooner rather than later.

Do you have team pricing?

School accounts qualify for wholesale pricing, which is significantly less than retail. Bags, for example, start at \$156. That includes a one-color heat-transferred monogram on the clothing pocket. For a complete pricelist, an account is required.

How do we pay the bill?

Once the order is finalized, Sun Mountain requires a purchase order number for Net 30-day terms or credit card information. The card will be processed once the product ships.

Can I buy other Sun Mountain products not in the Team Playbook?

Of course! Our entire catalog is open for bulk team orders.
