F7 HELMET SERIES

The Top Rated Helmets in Football

The game-changing technology of the F7 burst onto the scene three years ago, taking helmet design to the next level. The F7 introduced us to Tektonic Plates, Flexural Resistance design, and Temporal Wing engineering. The F7 took those new features and combined them with TPU Cushioning, HSS (helmet stabilization system), and SUREFIT air liners to make the ultimate football helmet. From the custom UR1 to the F7 VTD, you've never worn anything like the Schutt F7.

schutt

F7 HELMET FEATURES

Full of Technologically Advanced Features

Look Good. Feel Good. Play Good. While the F7 line of helmets by Schutt sure look the part, they also pack advanced design, exceptional comfort, and technology into that overall stunning appearance. The F7 lineup provides the protection needed for the gridiron. What will you be wearing this season?

Game-Changing Technology and Design

The F7 helmet line features the most advanced design and technology in the industry.

ADD CUSTOM TEAM DECALS

More than stickers...Display your team's identity.

With many different finishes and applications, we are your one stop shop for team decoration. From chrome to matte finishes, mascots and awards to locker tags. You dream it up and we can make your team's decal needs come to life.

Team Mascot Decal

Front Bumper Decal

Back Bumper, Player Number, Award Decals

Chrome Colors

Football's Most Custom Fit Helmet.

UR1

FOOTBALL'S MOST CUSTOMIZABLE HELMET

UR1

The Future of Football Helmets.

A custom fit helmet for a single player. This is the future of football helmets. Schutt has the answer in our UR1 helmet line. With multiple sizes of optimal fit inserts available and 20 individual insert locations, the UR1 boasts 3.6 quadrillions of potential fit configurations. These configurations allow an athlete to have the exact fit needed to provide both protection and comfort. The best part is the UR1 can be re-configured as many times as you want, for as many players as you want. It's football's most configurable custom helmet.

Pod	Pod Pressure	Gap

UR1-FC full contact sensors (above) use pressure mapping to capture an athlete's head

Wireless UR1-FC Fitting Helmet

F7 UR1

Football's Most Custom Fit Helmet on the Market.

Wireless UR1-FC Fitting Helmet

Avatar Rendering Engine (ARE)

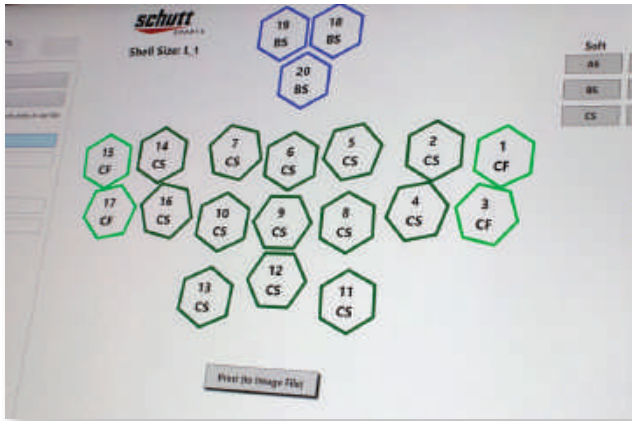

Virtual fitting technology that creates a unique, custom fit for every player. We capture the shape of the player's head using a full contact mapping system inside the **UR1-FC Fitting Helmet (shown below)**. The fitting helmet uses ten, full contact sensors to create a complete pressure map of the player's head. The data is then sent to a computer wirelessly where the ARE (Avatar Rendering Engine) system calculates the custom fit right on the screen.

AVATAR RENDERING ENGINE

Over 3.6 Quadrillion Different Configurations are Possible.

(ARE)

F7 UR1 is RE-CONFIGURABLE. Meaning you can re-configure the helmet for the same player or for a completely new player.

Each athlete instantly gets a personal digital mapping profile read-out sent directly from the fitting helmet to a mobile device that can be used to build the helmet and saved for future reference.

Each pressure map ARE rendering varies among athletes resulting in a perfect customized fit that can be assembled very quickly by a numbering system.

Multiple Optimal Fit Inserts

A close-up photograph of a black football helmet. The helmet features the number '28' in large, silver, reflective numerals on the front. Below the number, the 'Schutt' brand name is printed in a white, italicized font. The helmet's interior padding is visible at the bottom. The background is a bright, out-of-focus outdoor setting.

FACEGUARDS MADE FROM TITANIUM

All F7 UR1/UR2 guards are made from titanium - up to 60% lighter than traditional carbon steel guards.

WARNING: Keep your head up. Do not butt, ram, spear, or strike an opponent with any part of this helmet or faceguard. This is a violation of football rules and may cause you to suffer severe brain or neck injury, including paralysis or death and possible injury to your opponent. Contact in football may result in Concussion/Brain injury which no helmet can prevent. Symptoms include: loss of consciousness or memory, dizziness, headache, nausea, or confusion. If you have symptoms, immediately stop and report them to your coach, trainer, and parents. Do not return to a game or contact until all symptoms are gone and you receive medical clearance. Ignoring this warning may lead to another and more serious or fatal brain injury. NO HELMET SYSTEM CAN PROTECT YOU FROM SERIOUS BRAIN AND/OR NECK INJURIES INCLUDING PARALYSIS OR DEATH. TO AVOID THESE RISKS, DO NOT ENGAGE IN THE SPORT OF FOOTBALL. TO ACHIEVE THE MOST EFFECTIVE PERFORMANCE OF A Schutt HELMET, USE ONLY SCHUTT SPORTS REPLACEMENT COMPONENTS. WARNING: Do not attach any accessories that are not supplied by and/or approved to be worn with Schutt helmets. Attachment of accessories not supplied by or recommended for Schutt helmets will void the warranty and could adversely affect the protective capabilities of the helmet. If you are unsure if an accessory is approved, please visit schuttsports.com. Due to differences in head shapes and sizes, adjustments may be needed to achieve proper fit and/or comfort. Please refer to the fitting instructions booklet included with each new Schutt helmet. Also available at schuttsports.com. Using jaw pads from suppliers other than Schutt Sports will void the warranty.

This product can expose you to chemicals including Ethylbenzene, which is known to the State of California to cause cancer, and Toluene, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

INFLATABLE

STEP 1

Measure the player's head as shown, 1" above the eyebrows around the widest part of the head, using the chart on helmet pages for size guideline.

STEP 2

Lubricate the pump needle generously and insert needle as shown. Do not force the needle into the port; doing so may puncture the liner's opposite wall.

STEP 3

Begin with bottom inflation port on back of helmet. Perform 1-3 pumps. Helmet should be snug against player's head but not overly tight. Excess air is released with valve.

STEP 4

When finished, repeat for top inflation port. Proper inflation will usually require 0-2 pumps, but that may vary.

STEP 5

Helmet's front edge and nose bumper should be approximately 1" above the player's eyebrows.

STEP 6

Attach chin strap to the helmet underneath the faceguard, never above it. Tighten chin strap to be snug and centered on the chin.

STEP 7

Jaw pads should be snug against the player's face, flush with his jaw, without pushing too forcefully into his cheeks.

STEP 8

The helmet should fit snugly, without being too tight. There should be no independent movement of the helmet.

NON-INFLATABLE

STEP 1

Measure the player's head as shown, 1" above the eyebrows around the widest part of the head, using the chart on helmet pages for size guideline.

STEP 2

Attach chin strap to the helmet underneath the faceguard, never above it. Tighten chin strap to be snug and centered on the chin.

STEP 3

Jaw pads should be snug against the player's face, flush with his jaw, without pushing too forcefully into his cheeks.

STEP 4

The helmet should fit snugly, without being too tight. There should be no independent movement of the helmet.

WARNING: Do not attach any accessories that are not supplied by and/or approved to be worn with Schutt helmets. Attachment of accessories not supplied by or recommended for Schutt helmets will void the warranty and could adversely affect the protective capabilities of the helmet. If you are unsure if an accessory is approved, please visit schuttsports.com. Due to differences in head shapes and sizes, adjustments may be needed to achieve proper fit and/or comfort. Please refer to the fitting instructions booklet included with each new Schutt helmet. Also available at schuttsports.com. Using jaw pads from suppliers other than Schutt Sports will void the warranty.

This product can expose you to chemicals including Ethylbenzene, which is known to the State of California to cause cancer, and Toluene, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

WARNING: Keep your head up. Do not butt, ram, spear, or strike an opponent with any part of this helmet or faceguard. This is a violation of football rules and may cause you to suffer severe brain or neck injury, including paralysis or death and possible injury to your opponent. Contact in football may result in Concussion/Brain injury which no helmet can prevent. Symptoms include: loss of consciousness or memory, dizziness, headache, nausea, or confusion. If you have symptoms, immediately stop and report them to your coach, trainer, and parents. Do not return to a game or contact until all symptoms are gone and you receive medical clearance. Ignoring this warning may lead to another and more serious or fatal brain injury. NO HELMET SYSTEM CAN PROTECT YOU FROM SERIOUS BRAIN AND/OR NECK INJURIES INCLUDING PARALYSIS OR DEATH. TO AVOID THESE RISKS, DO NOT ENGAGE IN THE SPORT OF FOOTBALL. TO ACHIEVE THE MOST EFFECTIVE PERFORMANCE OF A Schutt HELMET, USE ONLY SCHUTT SPORTS REPLACEMENT COMPONENTS. WARNING: Do not attach any accessories that are not supplied by and/or approved to be worn with Schutt helmets. Attachment of accessories not supplied by or recommended for Schutt helmets will void the warranty and could adversely affect the protective capabilities of the helmet. If you are unsure if an accessory is approved, please visit schuttsports.com. Due to differences in head shapes and sizes, adjustments may be needed to achieve proper fit and/or comfort. Please refer to the fitting instructions booklet included with each new Schutt helmet. Also available at schuttsports.com. Using jaw pads from suppliers other than Schutt Sports will void the warranty.

This product can expose you to chemicals including Ethylbenzene, which is known to the State of California to cause cancer, and Toluene, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

INFLATABLE

STEP 1

Measure the player's head as shown, 1" above the eyebrows around the widest part of the head, using the chart on helmet pages for size guideline.

STEP 2

Lubricate the pump needle generously and insert needle as shown. Do not force the needle into the port; doing so may puncture the liner's opposite wall.

STEP 3

Begin with bottom inflation port on back of helmet. Perform 1-3 pumps. Helmet should be snug against player's head but not overly tight. Excess air is released with valve.

STEP 4

When finished, repeat for top inflation port. Proper inflation will usually require 0-2 pumps, but that may vary.

STEP 5

Helmet's front edge and nose bumper should be approximately 1" above the player's eyebrows.

STEP 6

Attach chin strap to the helmet underneath the faceguard, never above it. Tighten chin strap to be snug and centered on the chin.

STEP 7

Jaw pads should be snug against the player's face, flush with his jaw, without pushing too forcefully into his cheeks.

STEP 8

The helmet should fit snugly, without being too tight. There should be no independent movement of the helmet.

NON-INFLATABLE

STEP 1

Measure the player's head as shown, 1" above the eyebrows around the widest part of the head, using the chart on helmet pages for size guideline.

STEP 2

Attach chin strap to the helmet underneath the faceguard, never above it. Tighten chin strap to be snug and centered on the chin.

STEP 3

Jaw pads should be snug against the player's face, flush with his jaw, without pushing too forcefully into his cheeks.

STEP 4

The helmet should fit snugly, without being too tight. There should be no independent movement of the helmet.

AQUA TECH ORDERING TIPS

All helmets that will receive Aqua Tech finishes must be painted first. Some Aqua Tech patterns work better on lighter paint colors, while others look their best on darker paint colors. Look for these symbols on the above swatches to pick the best pattern for your custom order!

CUSTOM PAINT COLORS

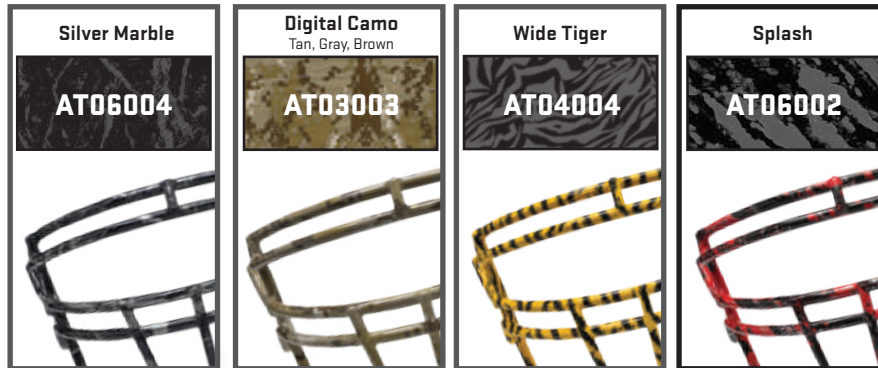

FACEGUARD COLORS

DIAMOND COATED
GAME DAY USE ONLY

NOTE: Our custom color finishes add a sleek and dramatic touch of color to your customized helmet. Extended use, however, will quickly diminish the appearance of this paint style. We recommend that faceguards with this paint style be reserved for game day use only and not be used for day-to-day practice.

AQUA TECH

NOTE: Aqua Tech patterns can be applied to any of our faceguards. The patterns shown are just samples of what you can choose from. For the full Aqua Tech library, please see page 36-37

 This product can expose you to chemicals including Nickel, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov

PL SERIES

PL-65S-SNAPPER

MSRP: \$569⁰⁰

IDEAL FOR:

Snappers OL/DL
Centers

ITEM #	SIZE
520604	MEDIUM
520605	LARGE
520606	X-LARGE
520607	2X-LARGE
520608	3X-LARGE
520609	4X-LARGE

- Low-profile air management design
- Open-neck design created with centers and long snappers in mind
- Tight-cut arch for improved forward arm movement
- Swivel belt and buckle system

PL-72 OL/DL

MSRP: \$649⁰⁰

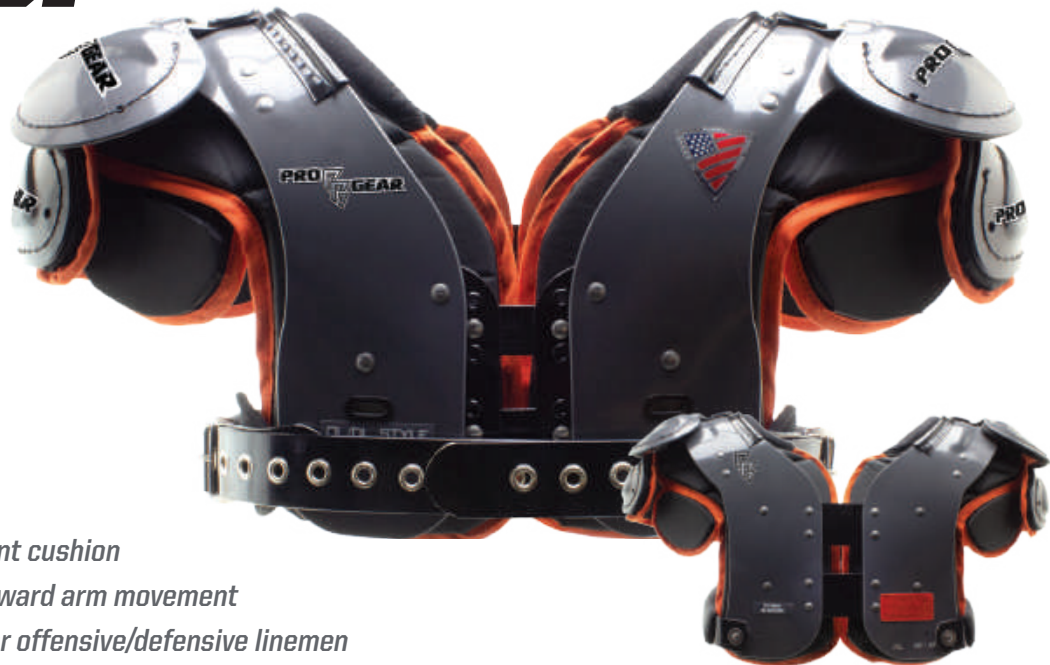

IDEAL FOR:

Offensive Line
Defensive Line
Tight Ends
Defensive Ends

ITEM # **PL-72 OL/DL**

AVAILABLE SIZES:

M - L - XL - 2XL - 3XL - 4XL

- Low-profile air management cushion
- Designed for improved forward arm movement
- Ideal design and profile for offensive/defensive linemen as well as TE's and DE's.
- Swivel belt and buckle system

YOUTH VIPER

MSRP: \$179⁰⁰

IDEAL FOR:

All Purpose

ITEM # **OYS-19-S**

AVAILABLE SIZES:

2XS - XS - S - M - L - XL - 2XL

- 100 % true "Air Management" cushion system
- Cut away front arch for better arm movement
- Swivel Belt and Buckle System (Stainless Buckles)
- Poron or D30 Cushioned epaulets which absorb and disperse more energy from impacts .
- 5/8" Main Body thickness with a 3/8" Top redundant
- Removable / Adjustable interior channel blocks for Added protection and personalized fit.

For patent information, visit schutt sports.com/patents

PRO GEAR PRACTICE VEST

MSRP: \$100⁰⁰

- Ideal for walk-through days or "Non-Contact" days
- ½" main body cushion and ¼" closed cell top
- Does not attach to the shoulder pad

ACCESSORIES

(Shown with Bio Strap attachments)
Also available in One Piece Bio Attachment

TEARDROP BACK PLATE

MSRP: \$65⁰⁰

ITEM # **ATDBP**

- 5" size
- Provides excellent lower back protection
- Attaches to Pro Gear shoulder pads
- Customizable trim and pad colors to match shoulder pads
- Pro Motion available for an additional cost
- See page 61 for customization options

LARGE BACK PLATE

MSRP: \$65⁰⁰

ITEM # **ASGBP**

- 5" size
- Provides excellent lower back protection
- Attaches to Pro Gear shoulder pads
- Customizable trim and pad colors to match shoulder pads
- Pro Motion available for an additional cost
- See page 61 for customization options

SMALL BACK PLATE

MSRP: \$65⁰⁰

ITEM # **ASMBP**

- 4" size
- Provides excellent lower back protection
- Attaches to Pro Gear shoulder pads
- Customizable trim and pad colors to match shoulder pads
- Pro Motion available for an additional cost
- See page 61 for customization options

ENERGY-LOC FOAM REMOVABLE REDUNDANT

MSRP: \$50⁰⁰

ITEM # **PORONTOP**

- Use with any Pro Gear pad
- Increases protection
- Sold in pairs
- See page 61 for customization options.

Patent #10,376,001

ACCESSORIES

1/2" BOOMER

MSRP: \$30⁰⁰

- Increase protection around AC joint
- Position anywhere for optimal protection
- Sold in sets of 4
- See page 61 for customization options

ITEM # **85400003**

BELT SLEEVE

MSRP: \$20⁰⁰

- Protects against rubbing / chafing
- Doesn't limit range of motion
- Sold in pairs
- One size fits all
- See page 61 for customization options

ITEM # **85400001**

GPS POUCH

MSRP: \$30⁰⁰

- Safely and securely holds GPS pod.
- Attaches between two rear arches.
- See page 61 for customization options.

ITEM # **POUCH**

1/2" CLAVICLE BLOCK SET

MSRP: \$30⁰⁰

- Creates stand-off around the AC joint
- Position anywhere for optimal protection
- Sold in sets of 4 (2 small, 2 large)
- See page 61 for customization options

X-Large	19 - 20"
2X-Large	20 - 21"
3X-Large	21 - 22"

SHOULDER PAD SCIENCE THAT DOMINATES

An Air Management pad that offers unmatched comfort, fit and targeted breathability. Air Management padding is positioned in the main hitting areas over the shoulders. The front and back of the pad are protected by heat management, perforated EVA body cushion bundled with high-density 3D molded EVA inserts. It's a combination never before seen on the field! Tactical arch designs maximize range of motion, while Performance Fit stitching brings the fit closer to your body and creates a sleek, more comfortable profile. Energy Lock redundant padding, along with TPU Cushioning maximize impact absorption and performance.

Not suitable for full contact football

WARNING:
This product can expose you to chemicals including Nickel, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov

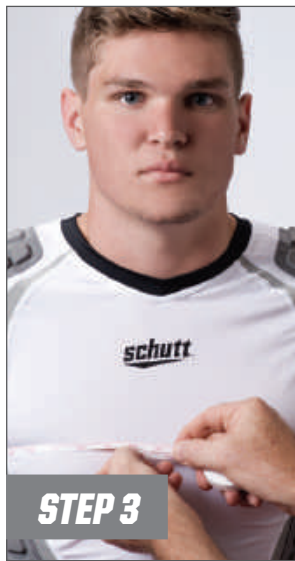

HOW TO FIT YOUR SHOULDER PADS

Identify the player's position and choose the appropriate Schutt shoulder pad model.

Measure the width of the shoulder span, from the right to left tips of the humerus, using a cloth measuring tape.

Using the cloth measuring tape, wrap around the player's torso to measure the player's chest circumference.

Determine the proper size of shoulder pad (from the measurements) and place them onto the player's shoulders.

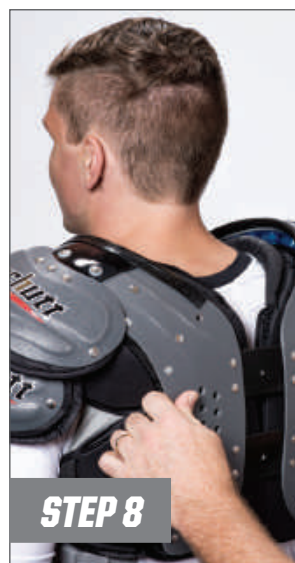

Buckle the belts then connect any straps that the shoulder pad uses. Ensure a good, tight fit in the chest and back areas.

Ensure the shoulder pads are providing proper front coverage by confirming the pads cover the sternum, as well as the front upper shoulders.

Check the collar and neck area to ensure there is no pinching and the fit is not too tight.

For proper coverage in the back, confirm the pads are covering the scapula and rhomboid areas. The player should have maximum range of arm motion.

PROTECTIVE PADS

LOW-PROFILE FOREARM PAD

MSRP: \$12⁰⁰

- Tapered sleeve design
- Moisture wicking polyester fabric with mesh vents
- Low-profile protective padding
- Lightweight and flexible
- Sold in pairs

ITEM #	SIZE	LEVEL
13024003	Small	Youth
13024004	Medium	Varsity
13024005	Large	Varsity

LOW-PROFILE ELBOW PAD

MSRP: \$12⁰⁰

- Moisture wicking polyester fabric with mesh vents
- Rubberized, non-slip cuffs
- Low-profile protective padding
- Lightweight and flexible
- Sold in pairs

ITEM #	SIZE	LEVEL
13022003	Small	Youth
13022004	Medium	Varsity
13022005	Large	Varsity

LOW-PROFILE WRIST-HAND PAD

MSRP: \$12⁰⁰

- Tapered design
- Moisture wicking polyester fabric with mesh vents
- Low-profile protective padding
- Lightweight and flexible
- Sold in pairs

ITEM #	SIZE	LEVEL
13023003	Small	Youth
13023004	Medium	Varsity

WRIST COACHES

SINGLE VIEW WRIST COACH

- Available in varsity and youth sizes
- Holds one plan
- Templates available at adamsusa.com/downloads

Varsity 146000CC

- 3" x 5" game plan opening
- 7¼" long band

Youth 147000CC

- 2 ½" x 3 ¼" game plan opening
- 5" long band

COLOR	Black	Navy Blue	Royal Blue	Scarlet	White
Varsity	WC1	WC8	WC4	WC2	WC3
Youth	WCY-1	WCY-8	WCY-4	WCY-2	WCY-3

**Actual colors of product may vary from what is shown here.*

THREE VIEW WRIST COACH WITH TAB

- Available in varsity and youth sizes
- Holds three plans
- With pull tab for easy use
- Templates available at adamsusa.com/downloads

Varsity 146030CC

- 3" x 5" game plan opening
- 6½" long band

Youth 147030CC

- 2½" x 3½" game plan opening
- 5" long band
