## ***FAQ FREQUENTLY ASKED QUESTIONS***

---

### ***Who do I contact about placing an order?***

Reach out to John Heaney, School Sales Coordinator, at **jheaney@sunmountain.com** or **800-433-9224 ext. 7605**. He can get you an account application and lead you through the entire process, from initial contact to mockups to paying the invoice.

### ***How long does it take to fulfill an order?***

Usually about 4 weeks once the order is finalized. We always suggest placing your orders sooner rather than later.

### ***Do you have team pricing?***

School accounts qualify for wholesale pricing, which is significantly less than retail. Bags, for example, start at \$162. For a complete pricelist, an account is required.

### ***How do we pay the bill?***

Once the order is finalized, Sun Mountain requires a purchase order number for Net 30-day terms or credit card information. The card will be processed once the product ships.

### ***Can I buy other Sun Mountain products not in the Team Playbook?***

Of course! Our entire catalog is open for bulk team orders.
