Price Policy: All catalog prices are list or suggested retail. Prices are subject to change without notice. Merchandise will be invoiced based on the prices in effect at the time the order is placed.

Terms: Prices are FOB shipping point. Payment is due Net 30.

Minimum Order Charges: A handling charge of \$10.00 will be added to orders of less than \$150.00 list. Custom and GamedaySelect fill-in minimum order is 6 units per style and color. A 100% surcharge will be applied to orders of 1-2 units, and a 50% surcharge for orders of 3-5 units.

Lettered Orders for COD Shipment: A 50% deposit is required on all lettered orders calling for COD shipment.

Delivery: Shipments will always be made by the fastest, least expensive means possible. The customer will assume any additional expense required to expedite delivery.

When requesting an authorization label, the following information is required: Reason for return, Invoice #, Style #, Color, Size/Quantity. An authorization label will then be sent to you to prepare the merchandise for return shipment. We reserve the right to repair, replace or issue credit for any merchandise returned. All worn garments must be properly laundered prior to return or they will not be accepted.

Under Armour will not be responsible for any items not checked for order accuracy or sizing before being sent to a printer/screener. We will not be responsible for shrinkage, defects, or damages caused during the imprinting of our garments by sources other than our own lettering department. Screenprinting sublimated uniforms can cause color migration. We do not recommend screenprinting on sublimated garments.

Photography is the property of Under Armour and is not to be used without written authorization.

UNIFORM CARE INSTRUCTIONS

To enhance the appearance and extend the life of your uniforms, Under Armour recommends that you follow these cleaning and storing procedures:

DO NOT DRY CLEAN

DO NOT WASH IN HOT WATER

DO NOT USE CHLORINE BLEACH

DO NOT USE FABRIC SOFTENER

DO NOT WASH WHITES AND COLORS TOGETHER

DO NOT OVERLOAD THE WASHING MACHINE

DO NOT MACHINE DRY ON HIGH HEAT

DO NOT LEAVE WET OR DAMP GARMENTS IN YOUR TRAVEL BAG, IN A PILE WITH OTHER CLOTHING OR IN WASHING MACHINE

- Pre wash uniform prior to use.
- Uniforms should always be laundered immediately after wearing. However, if this is not possible, rinse garments and hang individually on rust-proof hangers. (Moisture may cause color migration of acid dyes so we advise separating wet or damp uniforms.)
- Belts and any other contrasting color items should be washed separately from the garment.
- It is always advisable to test wash a single uniform according to directions before washing an entire load.
- Wash and rinse all garments in warm water (approx. 110°) with mild detergent. Remove promptly after wash cycle.
- For optimum results, hang garments (especially those with elastane) to dry. If you cannot hang dry, machine dry on the lowest setting. Turn jerseys inside out before machine drying. Remove items from dryer immediately upon completion of the cycle. (Excessive heat can cause fabric shrinkage, discoloration, and cracking and peeling of vinyl plastisol lettering inks.)
- Make sure uniforms are completely dry before storing. Store in a dry area to prevent mildew. Protect them from sunlight and fluorescent light to prevent yellowing.

PLEASE NOTE: Under Armour will not be responsible for uniforms that are damaged due to improper care and maintenance. Failure to follow our specified care instructions will void all guarantees.

MEN'S UA TEAM TECH VENT LONG SLEEVE

HOW TO MEASURE

CHEST: Place the tape measure under your arms at the fullest part of your chest, wrap around your body until your fingers meet and mark the measurement.

WAIST: Measure around your natural waistline - right above your hips. Be careful not to squeeze too tight to allow a little give.

HIPS: With your feet together, measure around the fullest part of your hips to ensure you'll have enough room to move comfortably.

FITTED

Sits close to the skin for a streamlined fit without the squeeze of compression.

REGULAR

Fuller, more generous cut for enhanced range of motion & an effortlessly relaxed fit.
