At WaterboyGraphics our goals are simple:

- ◆ **HEART** for what we do
- ◆ **PASSION** for creating unique design
- ◆ **PRECISION** with every install

Transform your school's hallways, classrooms, fields, activity rooms and more into motivational spaces that unify students, families and community, and reinforce what makes your school special.

When you love what you do, *it shows.*

TESTIMONIALS

"When we won our last Championship we turned to Waterboy Graphics to help us show our pride in the accomplishment and to make our facility look first class from the inside to the outside. The staff at Waterboy Graphics have 2 goals in mind, they are going to work tirelessly until your project is done to your satisfaction and they are going to make it look first class. The people at Waterboy are easy to work with and the product is of exceptional quality. From design, to artwork, to installation, it will be hard to beat Waterboy Graphics."

CARL ABSECK, HEAD FOOTBALL COACH/ATHLETIC COORDINATOR
CEDAR PARK HIGH SCHOOL

"Everyone loves our doors! I am so proud of them as are the kids and staff — the Superintendent loves them so much that he has encouraged all campus level administrators to get their doors wrapped. From artwork to installation the staff at Waterboy Graphics has been great to work with. I love this stuff!"

GINA FARMER, EXECUTIVE DIRECTOR OF ATHLETICS
CEDAR HILL INDEPENDENT SCHOOL DISTRICT

"Waterboy Graphics has been a great company to work with from the beginning to the end. Their products, customer service, salesmen, and installers are top notch. Harper ISD is very glad we used them. The wraps turned out amazing!"

VANCE MILLICAN, ATHLETIC DIRECTOR
HARPER ISD

"Ty and his staff at Waterboy Graphics are a one stop shop to help you take your athletic program to the next level. We believe that if you "look good and feel good you are getting ready to play good". Waterboy Graphics has helped us instill a new form of pride with our players at Georgetown High School and I believe that has helped us reach a new level."

JASON DEAN, HEAD FOOTBALL COACH
GEORGETOWN HIGH SCHOOL

"When Southwestern built its new football building we immediately turned to Waterboy Graphics to make the inside pop. They did all of our artwork and the entire building is now a show piece. Waterboy also created all of our stadium banners and decorations and we couldn't be happier with the one-of-a-kind look."

JOE AUSTIN, HEAD FOOTBALL COACH
SOUTHWESTERN UNIVERSITY

"In this unique time that we find ourselves coaching in, I choose to use the printed word and photographs to motivate and hold our players accountable as well as constantly remind them of those in our Lady Eagle program who have preceded them. Waterboy Graphics is able to take my ideas and make them into something tangible that we can use to promote our program and continue the tradition!"
