TEAM

OUR PURPOSE

THROUGH SPORT WE HAVE THE POWER TO CHANGE LIVES

Our purpose, 'Through sport, we have the power to change lives,' guides the way we run our company, how we work with our partners, how we create our products, and how we engage with our consumers. We will always strive to expand the boundaries of human possibility, to include and unite people in sport, and to create a more sustainable world.

OUR MISSION

TO BE THE BEST SPORTS BRAND IN THE WORLD

Athletes do not settle for average. And neither do we. Every day, we come to work to create and sell the best sports products in the world, and to offer the best service and consumer experience – and to do it all in a sustainable way. We are the best when we are the credible, inclusive, and sustainable leader in our industry.

OUR VALUES

HOW WE WIN WHILE PLAYING FAIR

Our values of COURAGE, OWNERSHIP, INNOVATION, TEAMPLAY, INTEGRITY and RESPECT are closely tied to our culture and ultimately are the essence of our identity. Our values offer clarity on the essential behaviors and mindsets that we value in our colleagues and represent the attitude we want to see in each other. Values show us what is important to help us achieve our best performance.

A LEADER IN ATHLETIC PERFORMANCE SINCE 1949

We're inspired by athletes. From the very first track spikes Adi Dassler made in his workshop, creating the best gear for the athlete is what drives us to pursue technological breakthroughs and design innovations. Our sneakers and apparel are worn by world-record holders and medal winners, but it's just as important that road runners, weekend hikers, recreational soccer players, and fitness enthusiasts. From adidas Boost, the game-changing cushioning technology, to the world-beating design of Adizero Adios Pro running shoes to Terrex outdoor gear to soccer cleats with unbeatable touch, we're always iterating, innovating and improving with athletes in mind.

The 3-Stripes have appeared on medal stands all around the world, but they've also had an influence that extends far beyond the field of play. adidas sneakers have been worn by hip-hop performers, skaters, artists and all the other change-makers who move the culture forward with their vision and uncompromising style. We've made our mark with legendary lifestyle shoes like the adidas Superstar, the Stan Smith and the Samba, shoes that began as athletic footwear before hitting the streets and leaving an indelible impression on the culture.

adidas Originals apparel is a stylish complement to our lifestyle shoes. Our streetwear collections pull from the archives to put a modern spin on classics like the Firebird tracksuit and the Tiro pant. Luxe materials, sophisticated silhouettes and unexpected details elevate our streetwear and transcend sport while at the same time never losing sight of our heritage. Because our mantra is, and has always been, that through sport we have the power to change lives.

GENERAL TERMS AND CONDITIONS OF SALE of adidas America, Inc. [the "Company"]

ORDERS These General Terms and Conditions of Sale [the "Terms and Conditions"] apply to and form an integral part of all quotations and offers made by the Company, all acceptances, acknowledgements [including a functional acknowledgement sent on receipt of an electronic order] and confirmations by the Company of any orders by Customer, and any agreements regarding the sale by Company and purchase by Customer of product and services. The Company's acceptance of orders is based upon these Terms and Conditions. All purchase orders or other procurement documents [including purchase order confirmations, compliance guides, and routing and logistics guides] submitted by Customer shall be governed by these Terms and Conditions. To the extent that any provisions contained in the Customer's purchase order or other procurement documents conflict with or would change, modify or supplement these Terms and Conditions, these Terms and Conditions will control, even if Company does not expressly contest such provisions and any such conflicting provisions shall be wholly inapplicable to any sale made by Company to Customer and shall not be binding in any way on Company. Without limiting the foregoing, Company further rejects terms and conditions inconsistent with, different from or additional to those contained herein which are contained on any website of Customer for which access is conditioned on acceptance of such terms and conditions. A functional acknowledgement sent on receipt of an electronic order does not constitute acceptance of electronic data interchange orders. Customer's order of the product will manifest Customer's agreement to these Terms and Conditions.

ORDER REQUIREMENTS Order entry date will determine earliest requested delivery date for the product, as established and communicated by the Company based on availability and lead times. Earliest requested delivery date will reference the Start Ship Date [which is the date the Customer is expected to take possession of the order] and may vary by order type such as, but not limited to, [a] future, [b] fillin, and [c] closeout orders. Customer delivery dates that do not meet requirements may be adjusted at the Company's discretion. Orders must also meet minimum quantity requirements by product division [e.g., footwear] as established and communicated by the Company, unless otherwise agreed to between Company and Customer. Orders will be managed through a confirmation process where the Company evaluates Customer-requested delivery dates at the time of order integration against Company [a] current supply availability or [b] End-to-End lead times, and the Company provides a Confirmed Customer Delivery Date. Delivery performance will be targeted and evaluated against this realistic confirmed delivery date.

BACK ORDERS Back orders are shipped FOB shipping point. Back orders will not be created for fewer than four [4] pieces.

ALLOCATIONS Orders and shipments are subject to allocation by Company in times of product shortages as determined by Company in its sole discretion.

CANCELLATIONS Requests to cancel orders must be made in writing no later than thirty [30] days before the start ship date and are subject to Company's approval. All cancellations and refusals may be subject to a restocking/processing fee. Cancellations exceeding ten percent [10%] of futures bookings will result in evaluation of future discounts. Confirmed container and direct ship orders are not cancellable.

CHANGES IN ORDERS Changes in orders will be considered only [a] within thirty [30] days of order submission in the case of container or dedicated orders, or [b] no later than forty-five [45] days prior to the first shipment date indicated on the order in the case of warehouse orders.

PRICING All pricing error claims must be submitted to Company within thirty [30] days of the applicable invoice due date. All pricing error claims submitted within this timeframe will be reviewed and approved or denied based on the merits of the claim at the sole discretion of Company. All pricing error claims submitted beyond this timeframe will be automatically denied. Pricing error claims that are not accompanied by a corresponding invoice number will be denied. Orders will be billed at prices prevailing at the time of shipment as reflected on Company's then current price lists. In the case of an order for delivery by installments, the price payable on each installment shall be the prices prevailing at the date of shipment of that installment as reflected on Company's then current price lists. All prices are subject to change without notice. No employee, company representative or any other party other than an officer of Company is authorized to alter Company's pricing terms.

SHIPPING Freight terms are FOB shipping point for all domestic shipments and FOB port for direct shipments, unless otherwise approved in writing by Company. The Company cannot guarantee that all orders placed by a Customer that meet adidas' direct shipment criteria will be processed as a direct shipment. In that circumstance, the order will receive FOB shipping point freight terms. Customer assumes all risk of loss upon delivery of products by Company to Customer or Customer's representative. All delivery indications are estimates only. In no event will Company assume any liability, consequential or otherwise, as a result of Company's failure to deliver product in accordance with indicated delivery schedules. Company will reject any late shipping fees unless approved by the Company in advance in writing. Delivery of part of an order does not obligate Company to make further deliveries, and partial deliveries will be billed when made.

TERMS OF SALE Payment terms are net thirty [30] days from invoice date, unless otherwise specified. Any amounts not paid within net terms are subject to a service charge of 1-1/2 % per month or the maximum rate permitted by law, whichever is lower. No cash or prompt payment discounts will be allowed on any invoice paid past the invoice discount period. Customer shall not set off against or deduct from any amounts due to Company hereunder all or any part of any amounts owed or alleged to be owed by Company to Customer. If Company, in its sole discretion, at any time is unsatisfied with Customer's financial responsibility, or feels it needs

further assurance that Customer will pay for outstanding orders, Company shall be entitled to require Customer to pay for its orders on a cash-in-advance basis. If Customer is in default under any agreement with Company, or fails to comply with any written rule or policy of Company, including these Terms and Conditions, Company shall have the right, without prejudice to any other legal remedy, to cancel all outstanding orders. Company shall have the right to set off and deduct any amounts due to Company from Customer against and from any amounts owed or allegedly owed by Company to Customer.

GENERAL RETURNS POLICY All returns must be pre-approved by Company Returns Department. Requests for approval of returns must be received in writing by the Returns Department within sixty [60] days of the applicable invoice date. All returns must be accompanied by a completed Return Authorization Form, available from the Returns Department, and comply with all instructions provided by the Returns Department, including, but not limited to, a maximum number of articles per Return Authorization as determined by the Company. The Return Authorization Number must be clearly marked on the outside of the shipping carton and/or on the face of the shipping documents. Any returns not bearing the Return Authorization Number or not accompanied by a Return Authorization Form will be shipped back to Customer at Customer's expense. Returned goods must be physically received at the address listed on the Return Authorization within sixty [60] days of the Return Authorization Form date. Product returned after that deadline or to a different address than listed on the Return Authorization Form will be refused and shipped back to Customer at Customer's expense. Customer may be invoiced for rework cost associated with accommodation returns that require, but not limited to, re-boxing, re-bagging, removal of price tags or security tags. Determination of the rework required is at the sole discretion of Company. Display models cannot be returned, and will not receive credit if included in a Return Authorization. All returns must be shipped prepaid at Customer's expense. In addition, Customer will be responsible for any handling charges incurred by Company as a result of a return.

DEFECTIVE RETURNS POLICY All defective returns must be pre-approved by Company Returns Department. Requests for approval of defective returns must be received in writing by the Returns Department within six [6] months of the applicable invoice date. Whether product is defective will be determined in Company's sole discretion. If Company determines that product has a manufacturing defect, Company will reimburse Customer for reasonable freight charges upon receipt of a freight bill. Returns that the Company determines do not have a manufacturer's defect may receive no credit and may be invoiced for any additional rework costs required.

LOSS/DAMAGE IN TRANSIT Company will not be responsible for goods lost or damaged in transit. Any damage or shortage in carton count must be noted on the carrier's delivery receipt and reported directly to the delivering carrier.

CONCEALED SHORTAGES/OVERAGES In order to make a claim for any shortages/overages in unopened cartons, such claim must be reported to Company's Credit Department in writing within thirty [30] days of the applicable invoice due date. All claims must be accompanied by an invoice, carton identification number and shipping order number and an itemization of all shortages/overages by product code, size, and quantity. Claims only shall be made in an amount equal to the invoiced value of the goods which were not received. Company will reject claims for other amounts, such as late shipment charges. Any claim where the above-referenced documentation is not provided at the time of reported shortage/overage or where the fee exceeds the actual invoice value of the missing goods will be rejected by the Company.

PACKING ERRORS In order to make a claim for packing errors, such claim must be reported to the Company's Credit Department in writing within thirty [30] days of the applicable invoice due date. All claims must contain the carton identification number(s) and a complete, clear, and accurate description of the error. Any claim where the above-referenced information is not provided at the time the claim is reported will be rejected by the Company.

CHARGEBACKS AND VALUE ADDED SERVICES Chargebacks, including for claims that mutually agreed upon business rules [such as lead times on time order placement and call offs] were not followed by Company, will not be accepted by Company unless agreed to in writing between Company and Customer. Furthermore, Company only will agree to chargebacks, including for a value-added service [VAS], that reflect actual direct costs incurred by Customer and will not accept punitive or administrative chargebacks. Even for chargebacks agreed upon in writing by Company, if Customer fails to provide sufficient documentation to support the chargebacks, Company may reject the chargebacks and/or assess a reasonable research fee for time spent to research the chargebacks. All VAS must be agreed upon by the parties in writing before the Company will provide such service and are subject to review and re-negotiation on a regularly scheduled basis. The Company will charge Customer for any VAS that impact unit cost and time, such as garment on hanger, supplemental ticketing, and box and inflate, unless otherwise agreed to in writing between Company and Customer. Box and inflate VAS is only available on direct or Customer dedicated shipments.

CUSTOMER'S COVENANTS Customer agrees to [a] render prompt, effective and courteous service with respect to the sale of Company goods, including all services to which a retail customer of Company goods is entitled; [b] vigorously and aggressively encourage the retail sale of Company goods; [c] maintain the minimum sales volume established by Company from time to time; [d] limit closeout volume to an established minimum as communicated by the Company; [e] establish and maintain, independently as and in conjunction with Company, advertising and marketing policies and methods that emphasize the high-quality characteristics of Company's goods; [f] provide clean, modern and adequate retail outlet(s) necessary for proper merchandising and selling of Company goods; [g] attend presentations conducted by Company sales representatives for the purpose of acquiring knowledge about the technical and other aspects of Company products; [h] adhere to retail launch dates set by the Company and neither reveal product images nor sell products prior to such launch date; and [i] notify Company's

Credit Department in writing prior to any change in Customer's legal organization, method of doing business or any other information stated in the credit application filed by Customer.

TRADEMARK & INTELLECTUAL PROPERTY RIGHTS Customer acknowledges that Company is the owner of all intellectual property associated with Company products, including all trademarks, copyrights, patents and trade secrets otherwise owned by Company [the "Intellectual Property"]. Customer obtains no rights to the Intellectual Property. Customer obtains no ownership or license rights to Company's trademarks, trade names, logos or designs ["Trademarks"] or copyrights except as specifically stated in these Terms and Conditions. Customer may not use the Trademarks, or any marks similar to the Trademarks, in any way without Company's express written consent. Company claims a copyright in the written materials delivered to Customer under these Terms and Conditions, including any designs, drawings and logos. Company grants to Customer a royalty-free right and license to use and display Company's Trademarks and copyrights and the product information, specifications, data, and images provided by Company, but only to the extent required for the Customer to promote and sell Company's products under these Terms and Conditions.

RESTRICTIONS ON SALES/PURCHASES/ASSIGNMENT Customer will not [a] sell, transfer or assign its right as an authorized Company dealer without the express written consent of Company; [b] sell or otherwise transfer or transship Company goods to another retailer, distributor, or broker; or [c] purchase Company products from any source other than Company. Customer may resell Company products [apparel, footwear and accessories] only through the outlet location(s) specified in the Credit Application or subsequently approved in writing by Company. Any other form of resale of Company products other than as specified above – including sales on any marketplace site - shall be prohibited without the prior written approval of Company. Such prohibitions shall include, but not limited to, the following: Customer may not resell Company products [visible or encapsulated] through the mail, by catalog, by phone, or by any electronic means [regardless of the medium and including the Internet]. Written approval to sell through other means, if granted, is limited to sales and deliveries within the United States and also may restrict the type of products [e.g., by Franchise] that may be sold on a marketplace site. Customer may not advertise Company products through any electronic means unless such advertisement directs purchase and fulfillment of Company products specifically at the location(s) approved in the Credit Application or subsequently approved in writing by Company. Violations of the aforementioned conditions may result in the immediate termination of Customer's account and cancellation of existing orders. If Customer opens or acquires additional retail outlet(s), Customer must notify and receive written approval from their sales representative before any additional or new outlet or franchise can be opened. Company's approval of a new outlet or franchise does not guarantee Company approval of any other outlet or franchise location.
