IMPORTANT: PRODUCT CARE INSTRUCTIONS

CUSTOM UNIFORM CARE INSTRUCTIONS:

To enhance the appearance and extend the life of your uniforms, adidas recommends that you follow these cleaning and storing procedures:

- Do not dry clean.
- Do not wash in hot water.
- Do not use chlorine bleach.
- Do not use fabric softener.
- Do not wash whites and colors together.
- Do not overload the washing machine.
- Do not machine dry on high heat.
- Do not leave wet or damp garments in your travel bag, in a pile with other clothing or in washing machine.
- Before using uniforms for the very first time, it is recommended that they be washed in cold water and hung to dry or machine dried on the lowest setting.
- Uniforms should always be laundered immediately after wearing.
 - However, if this is not possible, rinse garments and hang individually on rust-proof hangers (Moisture may cause color migration of acid dyes so we advise separating wet or damp uniforms.)
- Belts and any other contrasting color items should be washed separately from the garment.
- It is always advisable to test wash a single uniform according to directions before washing an entire load.
- We recommend presoaking heavily soiled garments in cold water with a protein release agent.
 - Follow the instructions recommended by the presoak manufacturer.
 - Wash garments immediately following the presoak in the normal wash cycle.
- Wash and rinse all garments in cold water with mild detergent.
 - Remove promptly after wash cycle to avoid color migration.
- For optimum results, hang garments (especially those with Spandex) to dry.
 - If you cannot hang dry, machine dry on the lowest setting.
 - Turn jerseys inside out before machine drying.
 - Remove items from dryer immediately upon completion of cycle.
 - Excessive heat can cause fabric shrinkage discoloration, and cracking and peeling of vinyl pastisol lettering inks.
- Make sure uniforms are completely dry before storing.
 - Store in a dry area to prevent mildew.
 - Protect them from sunlight and fluorescent light to prevent yellowing.

PLEASE NOTE:

adidas will not be responsible for uniforms that are damaged due to improper care and maintenance. Failure to follow our specified care instructions will void all guarantees.
