Eight interactive panels are arranged around the jersey, each connected by a line to a specific part of the jersey. The 'COLORS' panel on the top left allows selection for the body & yoke, neck placket, and collar. The 'ADIDAS LOGO' panel at the top right offers color options for the Adidas logo. The 'TEAM LOGOS' panel on the middle right includes options to add a logo or text to the jersey. The 'TEAMNAMES NUMBERS PLAYERNAMES' panel on the far right is for entering team names, numbers, and player names. The 'FABRICS' panel at the bottom right lets users choose the jersey fabric. The 'ADD YOUR LOGO' panel on the middle left provides a space to upload a custom logo. The Company's acceptance of orders is based upon these Terms and Conditions. All purchase orders or other procurement documents (including purchase order confirmations, compliance guides, and routing and logistics guides) submitted by Customer shall be governed by these Terms and Conditions. To the extent that any provisions contained in the Customer's purchase order or other procurement documents conflict with or would change, modify or supplement these Terms and Conditions, these Terms and Conditions will control, even if Company does not expressly contest such provisions and any such conflicting provisions shall be wholly inapplicable to any sale made by Company to Customer and shall not be binding in any way on Company. Without limiting the foregoing, Company further rejects terms and conditions inconsistent with, different from or additional to those contained herein which are contained on any website of Customer or which access is conditioned on acceptance of such terms and conditions. A functional acknowledgment sent on receipt of an electronic order does not constitute acceptance of electronic data interchange orders. Customer's order of the product will manifest Customer's agreement to these Terms and Conditions.

Any amounts not paid within net terms are subject to a service charge of 1-1/2 % per month or the maximum rate permitted by law, whichever is lower. All returns must be accompanied by a Return Authorization Form, available from the Returns Department, and comply with all instructions provided by the Returns Department. The Return Authorization Number must be clearly marked on the outside of the shipping carton and/or on the face of the shipping documents. Chargebacks and Value Added Services
Chargebacks, including for claims that mutually agreed upon business rules (such as lead times on time order placement and call offs) were not followed by Company, will not be accepted by Company unless agreed to in writing between Company and Customer. Furthermore, Company only will agree to chargebacks, including for a value added service (VAS), that reflect actual direct costs incurred by Customer and will not accept punitive or administrative chargebacks. Even for chargebacks agreed upon in writing by Company, if Customer fails to provide sufficient documentation to support the chargebacks, Company may reject the chargebacks and/or assess a reasonable research fee for time spent to research the chargebacks.

All VAS must be agreed upon by the parties in writing before the Company will provide such service. The Company will charge Customer for any VAS that impact unit cost and time, such as garment on hanger, supplemental ticketing, and box and inflate.

Customer's Covenants
Customer agrees to (a) render prompt, effective and courteous service with respect to the sale of Company goods, including all services to which a retail customer of Company goods is entitled; (b) vigorously and aggressively encourage the retail sale of Company goods; (c) maintain the minimum sales volume established by Company from time to time; (d) establish and maintain, independently and in conjunction with Company, advertising and marketing policies and methods that emphasize the high-quality characteristics of Company's goods; (e) provide clean, modern and adequate retail outlet(s) necessary for proper merchandising and selling of Company goods; (f) attend presentations conducted by Company sales representatives for the purpose of acquiring knowledge about the technical and other aspects of Company products; and (g) notify Company's Credit Department in writing prior to any change in Customer's legal organization, method of doing business or any other information stated in the credit application filed by Customer.

Trademark & Intellectual Property Rights
Customer acknowledges that Company is the owner of all intellectual property associated with Company products, including all trademarks, copyrights, patents and trade secrets otherwise owned by Company (the "Intellectual Property"). Customer obtains no rights to the Intellectual Property. Customer obtains no ownership or license rights to Company's trademarks, trade names, logos or designs ("Trademarks") or copyrights except as specifically stated in these Terms and Conditions. Customer may not use the Trademarks, or any marks similar to the Trademarks, in any way without Company's express written consent. Company claims a copyright in the written materials delivered to Customer under these

Terms and Conditions, including any designs, drawings and logos. Company grants to Customer a royalty-free right and license to use and display Company's Trademarks and copyrights and the product information, specifications, data, and images provided by Company, but only to the extent required for the Customer to promote and sell Company's products under these Terms and Conditions.

Restrictions on Sales/Purchases/Assignment
Customer will not (a) sell, transfer or assign its right as an authorized Company dealer without the express written consent of Company; (b) sell or otherwise transfer or transship Company goods to another retailer, distributor, or broker; or (c) purchase Company products from any source other than Company. Additionally, Customer may resell Company products (apparel, footwear and accessories) only through the outlet location(s) specified in the Credit Application or subsequently approved in writing by Company. Any other form of resale of Company products other than as specified above - including sales on any marketplace site - shall be prohibited without the prior written approval of Company. Such prohibitions shall include, but not limited to, the following: Customer may not resell Company products (visible or encapsulated) through the mail, by catalog, by phone, or by any electronic means (regardless of the medium and including the Internet). Written approval to sell through other means, if granted, is limited to sales and deliveries within the United States. Further, Customer may not advertise Company products through any electronic means unless such advertisement directs purchase and fulfillment of Company products specifically at the location(s) approved in the Credit Application or subsequently approved in writing by Company. Violations of the aforementioned conditions may result in the immediate termination of Customer's account and cancellation of existing orders. Further, if Customer opens or acquires additional retail outlet(s), Customer must notify and receive written approval from their sales representative before any additional or new outlet or franchise can be opened. Company's approval of a new outlet or franchise does not guarantee Company approval of any other outlet or franchise location.

No Transshipment/Diversion of Merchandise and No Sale of Counterfeit Product

To enhance informed selection and promote product image, Company only sells to selected retail outlets on the express condition that such outlets may not: (1) resell to any person or entity who is not also the final user or consumer or (2) sell or purchase any counterfeit Company product. Accordingly, the resale, transshipment or any form of diversion of Company product to anyone other than the final consumer and the sale or purchase of any counterfeit Company product are expressly prohibited. Any such activity may subject the violator to termination of its account and/or cancellation of orders, and shall constitute a breach of the contract of sale for which Company may seek the appropriate legal remedies, including money damages or injunctive relief.

Termination

The Company may, at any time and in its sole discretion, immediately terminate or suspend its relationship with Customer. Termination includes, but is not limited to cancelling or refusing to ship any orders placed by Customer and terminating Customer's ability, if any, to purchase goods on credit or otherwise.

COMPANY HEREBY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND THOSE THAT MAY ARISE BY COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE.** Customer's remedies are exclusively limited to replacement of or credit for any defective product (at the sole option of Company) but such replacement or credit shall be made only if the Customer complies with the terms and conditions set forth herein on general returns and defective returns.

Limitation on Damages; Statute of Limitations

COMPANY WILL NOT BE LIABLE FOR ANY LOSS OF PROFIT, INTERRUPTION OF BUSINESS OR ANY OTHER SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES SUFFERED OR SUSTAINED BY CUSTOMER. Any action by Customer related to these Terms and Conditions, including for breach of contract, must be commenced within one year from the date of delivery of the goods.

Security Agreement

To secure payment and performance of all of Customer's current and future obligations to Company, Customer grants to Company a security interest in all inventory and equipment that Customer has purchased or will at any time in the future purchase from Company and in all accounts, other forms of receivables, documents, instruments, returns and general intangibles that are related in any way to such inventory and equipment. A copy of Customer's credit application may be filed as a financing statement in which case Customer is the debtor and Company is the secured party. If, in Company's judgment, Customer loses the financial

ability to pay and perform all of Customer's current and future obligations to Company under these Terms and Conditions, then, upon demand by Company, Customer will return all Collateral to Company for disposition in accordance with the Uniform Commercial Code.

Entire Agreement

Customer's credit application along with these Terms and Conditions contain the entire understanding between the parties. Customer acknowledges that there are no terms, conditions, warranties or representations from or by Company other than those contained in the credit application and these Terms and Conditions.

Modifications

No supplement, modification or amendment of Customer's credit application, these Terms and Conditions or any marketing agreements related to the sale of product will be binding unless executed in writing by the CFO and Vice President of Sales of Company. These Terms and Conditions are subject to change by Company without prior notice.

Customer Routing and Logistic Requirements

Company will not be bound to terms, directives or requirements set forth by Customer through routing and logistic guides unless Company has agreed in writing to such terms, directives or requirements. In addition, Customer may incur charges for value added services, such as labeling, ticketing, and special packaging. Routing and logistics guides should be directed to the Compliance Department located at Company's Customer Satisfaction office in Spartanburg, South Carolina.

Severability; Waiver; Construction

Any portion of these Terms and Conditions that are found to be unenforceable will not invalidate the remainder of these Terms and Conditions. Any delay in enforcing or any failure to enforce any provision of these Terms and Conditions will not be deemed a waiver of any other or subsequent breach of these Terms and Conditions unless such waiver is in writing and signed by Company. Caption headings are for convenience of reference only and will not affect the interpretation of these Terms and Conditions. Ambiguous terms will be construed without regard to authorship.

Confidentiality

Except as required by law, Customer will not disclose Company's Confidential Information to any third party, directly or indirectly, without Company's prior, written consent. Confidential Information is described generally as any and all current and future product information, roadmap, technical or financial information and other business information including, but not limited to reports, plans, documents, drawings, machines, tools, models, patent disclosures, samples, and materials, and Request For Proposals that may be disclosed between the parties whether in written, oral, electronic, website-based, or other form, designated by Company in writing as confidential. If Customer is required by any law or regulation, judicial or administrative process to disclose Confidential Information, Customer shall promptly notify Company so that Company has a reasonable opportunity to oppose such requirement or process. Customer shall promptly notify Company of any actual or suspected misuse or unauthorized disclosure of the Confidential Information.

Force Majeure

If a delivery date is specified, that date will be extended to the extent that delivery is delayed by reason of fire, flood, war, riot, strike, natural disaster, or any other event beyond Company's reasonable control and if, as a result of such a delay, the goods ordered are unavailable, Company may substitute comparable goods. Additionally, in the event of a freight strike beyond Company's control, Company may ship goods via another carrier without being subject to any penalties.

Assignment

Company may assign this contract to a parent, subsidiary, or affiliated firm, or to another entity in connection with the merger, sale or transfer of all or substantially all of its business. Subject to these restrictions, the provisions of the contract shall be binding upon and inure to the benefit of the parties, their successors, and permitted assigns.
