CORNHOLE BAGS

Model: G214BAGS

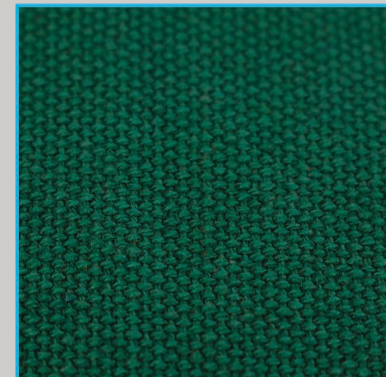

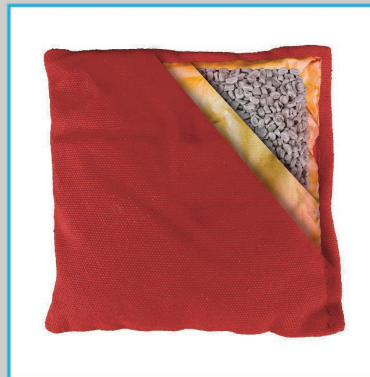

▼ SET INCLUDES

(4) BAGS

▼ FEATURES

- **12 OZ DUCK CLOTH** – Constructed with 12 oz duck cloth (2oz heavier than most other bags) and high-quality double stitching to prevent bags from bursting or tearing. High quality duck cloth is not only durable but provides a softer more broken-in feel right from the first throw. Durable enough to be used on gravel, pavement, grass, or indoors.
- **INNER FABRIC LINER** – These bags will feel full and stay full due to our stealth-liner that prevents the bags from going flat over time and provides more structure to the bag for a consistent grip and throw.
- **WEATHER RESISTANT** – Made with 100% plastic pellets for that authentic feel of corn, no fillers or powders are used. The plastic pellets will dry quickly if they get wet (won't get moldy like corn) and don't leak like sand or resin fillers.
- **EASY STORAGE** – Sturdy plastic tote with carry handle included for easy storage and transport of cornhole bags.
- **OFFICIAL SIZE** – Meets official size (6x6") and weight (15-16oz) specifications.
