Color Policy

- If your job is color sensitive, please contact us for information on color matching services. Unless a sample is ordered, we are not responsible for unsatisfactory color results.
- It is not possible to achieve a perfect color match from one order to another. Therefore, we cannot guarantee a perfect match from order to order or from one fabric to another.
- We print digitally in CMYK and use PMS colors as a guide; therefore the colors are not exact. We cannot color match gradients. Submitted art will automatically be converted to CMYK. If you have a color sensitive project, we require that you order a sample. We can Ship a printed color swatch at your request.
