- 1mm rubber backing
- Available 15' wide

Hitter's Choice Model #HITTERSC

- 36 oz. poly/poly pile
- 3mm foam backing
- Available 15' wide

To extend the life of your turf:

- Use rubber cleats or turf shoes
Avoid use of metal cleats
- Perform regular cleaning and maintenance

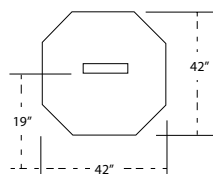

*Artificial turf is considered spike-proof by the turf manufacturers. It is recommended that plastic or rubber cleats be used to extend the life of the turf. Use of metal cleats will cut the fibers that hold the turf together and will decrease turf life. Minimum purchase of roll goods 20 linear feet.

Dimensions

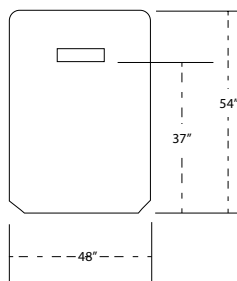

Proper Pitch offers a wide range of mounds to meet every need!

Classic Mounds have approx. 2.5" lip all around

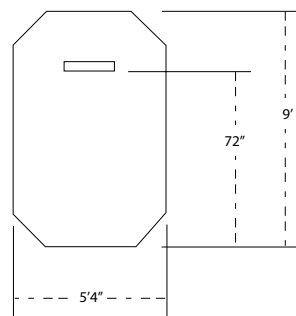

Tapered Mounds have approx. 5/8" lip all around
