OW

We ain't playin'. Shock Doctor always give athletes the highest performing protection on the planet. And now, the heat comes with it. We're taking all our gear, especially the #1 Mouthguard in the World, to levels and looks nobody has ever seen before — and that you can't take your eyes off of. Be ready. It's all Shock Doctor in 2021. It's On Now.

MOUTHGUARDS WE SET THE TONE

We sell more mouthguards than anyone else in the world, and we're still changing everything. Why? So you get the protection and courage you trust with the looks that will make them look. It's innovation — like the never-before-seen Interchange lip guard — and swagger in SAY WHAT?!? prints for Gel Max Power and Trash Talker. We're changing the game. We Set The Tone.

A dynamic action shot of two ice hockey players on an ice rink. The player in the foreground is wearing a blue jersey with white and green accents, blue pants with white and blue stripes, and a blue helmet with the name 'BLAKE' on it. He is holding a hockey stick and appears to be in the middle of a play, with ice shavings visible around his skates. The player in the background is wearing a white jersey with black accents and a white helmet. The background is a blurred indoor ice rink.
